

Crush

Find your Crush without the wait.

The modern dating app that puts conversation first

crushmatchup.com

What is Crush?

A dating app built around real connection — not endless waiting.

The Experience

- Tinder-style swiping that's fast and fun
- Smart compatibility matching — interests, lifestyle, goals & location
- Real-time chat with games, voice notes & video calls
- AI tools that coach you every step of the way
- Safety-first design: verification, scam detection & privacy controls

Why People Love It

- 30-day FREE trial of premium chat — no credit card needed
- Conversation-first: features designed to break the ice
- Fresh content every week (questions, tips & challenges)
- Daily rewards that make checking in fun
- Works beautifully on phone, tablet & desktop

Core Features

Everything you need to meet someone great.

Discover

- Swipe to like or pass
